

Spring 2008 Final Examination Schedule

<http://registrar.syr.edu/students/finalexams/>

Designated final examination dates and times are not subject to change, either by student or faculty request. Students are responsible for scheduling their courses, and thus their final examinations, using the exam charts provided below. Syracuse University does not limit the number of final examinations for which a student may be scheduled on any given examination day. Final examinations are not to be given during the last week of classes or on any Reading Day (4/30, 5/3, 5/4). The final examinations for UC and Extended Campus classes will be announced by the instructor in class.
